PRESS RELEASE

**For Immediate Release:
September 1, 2015**

Update: Road Closure Advisory

(Johns Island, SC) Authorities will start allowing traffic to flow on to Johns Island from Savannah Hwy at 5:00 p.m. Due to deep standing water that remains on the roadway and in the driving lanes; motorists will be instructed to use the center lane by deputies when driving onto Johns Island. Motorists who are traveling from Johns Island will continue to be directed to take Main Road to River Road as an alternate route.

Motorists will not be allowed to travel on Main Road from Johns Island to Savannah Hwy at this time. We will continue to ask motorist to take different routes and to avoid this area as much as possible. We are also asking the public to be patient with our deputies while they are directing traffic and to be alert for the presence of law enforcement officers and stopped traffic.
