Man arrested in Johns Island traffic fatality

FOR IMMEDIATE RELEASE

Monday, July 4, 2022

NORTH CHARLESTON, S.C. – Deputies from the Charleston County Sheriff's Office arrested a 23-year-old man on a felony DUI charge after a crash killed a passenger in his vehicle Sunday night on Johns Island.

The collision was reported about 11 p.m. on Main Road near Mary Ann Point Road. Investigators from CCSO's Traffic Services Unit determined that a Dodge sedan went off the road at high speed, struck a ditch and flipped before hitting some trees.

A passenger who was thrown from the vehicle died at the scene. A second passenger suffered injuries that were not life-threatening.

The driver, Brett Isaiah Baker-Goines of Johns Island, also suffered non-life-threatening injuries. Deputies determined that Baker-Goines was under the influence and arrested him on a charge of felony driving under the influence with death. He was booked into the AI Cannon Detention Center, where he posted bond Monday.

The Charleston County Coroner's Office will identify the victim of the crash.
