Shooting reported near N. Charleston injures woman

FOR IMMEDIATE RELEASE

Saturday, Dec. 17, 2022

NORTH CHARLESTON, S.C. – Charleston County detectives are investigating the circumstances leading to a shooting early Saturday that injured a woman in the North Charleston area.

The Charleston County Sheriff's Office responded after 2 a.m. to a mobile home park at 4059 W. Montague Ave., where a woman had reportedly shown up with an injury. She was taken to Trident Medical Center for treatment of the non-life-threatening gunshot wound to the leg.

The woman told detectives that she had gone to a party, where she had been shot. Someone drove her to Mundy's Mobile Home Park and dropped her off, she said. She reported knocking on a door to a home and telling a resident she had been shot. The resident called for help, and EMS transported the woman to the hospital.

The victim could not provide details of the crime scene location or a description of the shooter. No arrests have been made.

Anyone with information can call CCSO at 843-202-1700 or Crime Stoppers at 843-554-1111.
