Deputy Discharges Weapon During Incident with Armed Subject

(Adams Run, SC) On March 26, 2019, shortly after 9:00 p.m., Charleston County sheriff’s deputies responded to a report of an armed subject at a residence in the 4900 block of Doctor Taylor Road in Adams Run. Deputies received a description of the subject through dispatch. Deputies arrived on scene and advanced, on foot, towards a vehicle that started moving forward in the driveway. When deputies approached the vehicle it came to an abrupt stop. Deputies observed a subject, matching the suspect description, driving the vehicle. Deputies proceeded with weapons drawn towards the subject, at which time one of the deputies discharged his firearm into the subject’s vehicle. Nobody was struck by the gunfire. Deputies detained the subject, later identified as 25 year old Isaiah Truesdale, from Hollywood, SC. Deputies located two firearms, crack cocaine and marijuana in the vehicle. He was arrested for firearms and drug charges.

The deputy who discharged his firearm was placed on administrative duty with pay, pending an internal affairs investigation by our Office of Professional Standards.

This is an active investigation, with more information to follow.
